

LOCAL GAS MAINS AND SERVICE

A damaged gas main can affect neighbors.

Local utility operators deliver natural gas through mains and service lines. Leaks or damage claims can impact infrastructure, customer safety, and service.

RISKS WORTH DISCUSSING

- 01 Gas leaks near buildings
- 02 Excavation damages underground lines
- 03 Field crew injury risks

Coverage worth discussing

General liability

Covered third-party harm from accepted gas-utility duties.

Commercial property

Insured utility property after covered physical damage.

Umbrella liability

Extra limits above expressly covered underlying liabilities.

Environmental liability

Covered gas-release pollution response under accepted terms.

Workers compensation

Work-injury benefits for eligible utility employees.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
