

VEHICLE SALES AND SERVICE

Hail can damage many vehicles at once.

You combine sales, service, parts and finance. Dealer stock and customer vehicles need accepted terms alongside buildings, machinery and finance—data protection.

RISKS WORTH DISCUSSING

- 01 Multiple stock vehicles damaged
- 02 Customer vehicles and repairs
- 03 Finance data and transaction errors

Coverage worth discussing

Garage liability

Covered third-party harm from accepted dealership service.

Workers compensation

Provides medical and wage benefits for employees.

Equipment breakdown

Covered internal failures of accepted service lifts.

Commercial property

Insured buildings, tools and declared non-vehicle contents.

Cyber liability

Supports incident response following data privacy intrusions.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
