

NEWSROOMS, PRESSES AND SUBSCRIBER RECORDS

Press fires can halt the paper.

You turn daily reporting into print editions and digital updates. Publication rights, press operations and subscriber records need distinct terms, with missed deadlines separated from covered physical or cyber events.

RISKS WORTH DISCUSSING

- 01 Press-room fires or equipment failures
- 02 Defamation or copyright allegations
- 03 Subscriber information breaches

Coverage worth discussing

Professional liability

Specialist media terms for accepted reporting-content claims.

Equipment breakdown

Covered internal failures of accepted printing machinery.

Commercial property

Insured presses and premises after covered damage.

Cyber liability

Covered subscriber-data breach response and privacy claims.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
