The Southern Agency
Insurance & Bonds

HIGH-SPEED PAPER MILLING

A paper-machine failure can interrupt mill output.

You supply heavy newsprint reels to printers. Review machine outages, combustible stocks and releases of process water.

RISKS WORTH DISCUSSING

01 **Paper machine total failure**

02 **Combustible newsprint stock fire**

03 **Process water pollution exposure**

NEWSPRINT FACTORY INSURANCE

Coverage worth discussing

Commercial property
Covers physical loss to machines and pulp stock.

Equipment breakdown
Covers internal failures of your drying press units.

Environmental liability
Helps with claims from accidental process water releases.

Workers compensation
Covers injury to staff handling heavy paper rolls.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
