

OFFSHORE SUPPLIES AND PRODUCT TRANSFERS

Transfer hoses can release cargo.

You deliver equipment and fluids to offshore installations. Hull, deck cargo, transfer duties and crew need specialist marine terms, with station-keeping machinery and carried-product releases expressly identified.

RISKS WORTH DISCUSSING

- 01 Contact with platforms or risers
- 02 Shifted deck cargo
- 03 Personnel transfer and lift injuries

Coverage worth discussing

General liability

Covered third-party injury at accepted shore bases.

Environmental liability

Covered cleanup under accepted product-transfer release terms.

Commercial property

Insured shore facilities after covered physical damage.

Equipment breakdown

Specialist breakdown terms for accepted station-keeping systems.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
