

DISPATCH PLATFORMS AND DRIVER NETWORKS

A dispatch error can cause a claim.

Your platform connects customers with pickup drivers, often in cars you do not own. Define waiting, collection and delivery phases; company auto liability, driver protection and routing-error claims differ.

RISKS WORTH DISCUSSING

- 01 Errors in pickup dispatch or routing
- 02 Driver collisions during collection
- 03 Exposure of customer payment records

Coverage worth discussing

Professional liability

Claims from accepted dispatch/routing services.

Commercial auto

Company road liability for accepted dispatch phases.

Cyber liability

Covered account/payment-data response and privacy.

General liability

Covered non-auto injury/property claims.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
