

REFERENCE ENTRIES AND CONTRIBUTOR MEDIA

An entry can prompt a legal claim.

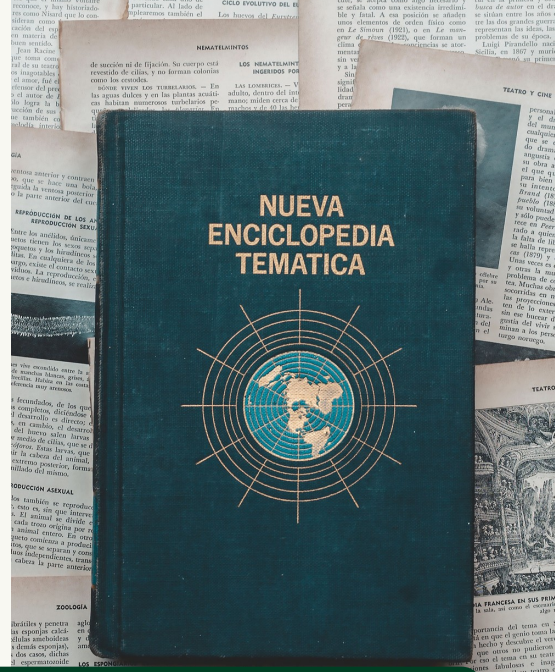

You moderate contributed reference entries and images. Express publishing/media terms must fit actual content; contributor records and governance need separate review without assuming nonprofit status.

RISKS WORTH DISCUSSING

- 01 Allegedly defamatory biographical entries
- 02 Rights claims involving contributor uploads
- 03 Exposure of contributor or donor records

Coverage worth discussing

Professional liability

Claims under accepted reference-publishing/media terms.

Directors and officers

Covered governance claims for the actual insured entity.

Cyber liability

Covered contributor/donor-data response and privacy claims.

General liability

Covered nonprofessional office physical claims.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
