

TEMPORARY EVENT HOSTING

A storm can damage a temporary stage.

You bring stages, vendors and crowds onto temporary grounds. Event cancellation needs specific terms alongside accepted site liability, equipment and worker protection.

RISKS WORTH DISCUSSING

- 01 Sudden weather-driven event cancellation
- 02 Temporary stage and tent collapse
- 03 Crowd injury on uneven terrain

Coverage worth discussing

General liability

Covered guest injuries during accepted site dates.

Inland marine

Declared owned or rented gear after covered loss.

Environmental liability

Covered cleanup involving accepted fuel or waste releases.

Liquor liability

Covered claims from expressly accepted festival alcohol service.

Workers compensation

Work-injury benefits for eligible festival employees.

Umbrella liability

Extra limits above expressly covered festival liabilities.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
