The Southern Agency
Insurance & Bonds

ENTRUSTED GOODS AND PROTECTIVE CRATES

A failed crate can damage its load.

You pack machinery, artwork or goods for transport. Customer-property terms must accept actual handling and crating duties; shop equipment, resulting product harm and redoing your crate are separate.

RISKS WORTH DISCUSSING

01 **Entrusted goods damaged during work**

02 **Resulting damage from crate failure**

03 **Employee injuries from shop machinery**

PACKAGING AND CRATING SERVICE INSURANCE

Coverage worth discussing

General liability
Covered third-party injury at accepted work sites.

Inland marine
Customer goods under accepted processing/custody terms.

Products liability
Resulting harm under accepted crate/product terms.

Commercial property
Insured shop machinery and owned equipment.

Workers compensation
Benefits for qualifying crating-shop injuries.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
