

ROAD & LOT PAVING

Road hazards and equipment loss

You operate heavy machinery with hot asphalt on roads. High heat and public traffic create hazards for your crew.

RISKS WORTH DISCUSSING

- 01 Hot-mix asphalt burns
- 02 Roadwork struck-by risks
- 03 Fleet and truck accidents

Coverage worth discussing

General liability

Pays for third-party injury or damage on the job.

Commercial auto

Vehicle liability for dump trucks and haulers.

Workers compensation

Covers crew injury from hot mix or equipment.

Inland marine

Covers your pavers and rollers against damage.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
