

BOARDING, GROOMING, WALKS AND TRANSPORT

An escaped dog can injure a stranger.

You board, walk, groom or transport animals in your care. Accepted services and animals need explicit scope, with pet-custody injury and veterinary expenses distinct from public liability or vehicle damage.

RISKS WORTH DISCUSSING

- 01 Bites or injuries to third parties
- 02 Alleged negligent grooming or pet care
- 03 Animal injury or escape while in custody

Coverage worth discussing

General liability

Covered public injury from accepted pet-service activities.

Commercial property

Insured kennels and equipment after covered physical damage.

Professional liability

Covered claims alleging expressly accepted pet-care negligence.

Commercial auto

Covered road liability for accepted pet-transport vehicles.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
