

## COURT PLAY AND PROGRAMMING

# A court fall can prompt a claim.

You host court play, lessons and tournaments. Participant liability, coaching services and court assets need terms that accept the actual activities and insured entities.

---

## RISKS WORTH DISCUSSING

- 01 Participant falls on courts
- 02 Instructional coaching service allegations
- 03 Outdoor court surfacing damage

# Coverage worth discussing

## General liability

Covered player-injury claims under accepted participation terms.

## Workers compensation

Work-injury benefits for eligible facility employees.

## Umbrella liability

Extra limits above expressly covered court-operation liabilities.

## Commercial property

Insured court improvements, lighting and declared inventory.

## Cyber liability

Covered breach response involving reservation or member records.

Coverage is subject to policy terms and exclusions.

## Why The Southern Agency

### 01 Listen

We review your operations, coverage and past claims.

### 02 Assess

We look at hazards and ways to reduce risk.

### 03 Build

We compare carriers, premiums and audit terms.

### 04 Support

We revisit coverage as your work changes.
