PORT AND HARBOR CONSTRUCTION INSURANCE

Coverage worth discussing

Workers compensation
Benefits for qualifying employee injuries.

Builders risk
Covers pier structures during construction.

Environmental liability
Covers fluid release into harbor waters.

Umbrella liability
Higher limits above covered underlying liabilities.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
