The Southern Agency
Insurance & Bonds

SESSIONS, LIGHTING GEAR AND CLIENT IMAGES

A light stand can injure a client.

You pose clients around cameras, cables and lighting for portrait sessions. Insured equipment and accepted photography duties need terms distinct from client-data incidents or recreating irreplaceable images.

RISKS WORTH DISCUSSING

01 **Client trips over session equipment**

02 **Stolen cameras or portable lighting**

03 **Loss of irreplaceable session images**

PORTRAIT PHOTOGRAPHY STUDIO INSURANCE

Coverage worth discussing

General liability
Covered client injury from accepted portrait-session activities.

Professional liability
Covered claims alleging accepted photography-service errors.

Inland marine
Insured cameras and lighting at accepted work stages.

Cyber liability
Covered client-data breach response and privacy claims.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
