The Southern Agency
Insurance & Bonds

STUDIO TEACHING AND PRODUCTION

Kiln fire and studio burn hazards

You shape and fire ceramic pieces in your studio. Kiln heat, clay dust and teaching bring unique injury and fire risks.

RISKS WORTH DISCUSSING

01 **Kiln fire and burns**

02 **Hands-on participant injuries**

03 **Clay and glaze exposure**

POTTERY AND CERAMICS WORKSHOP INSURANCE

Coverage worth discussing

Workers compensation
Employee injury benefits for instructors and studio staff.

General liability
Helps with student or visitor injury claims.

Products liability
Covered injury or other-party damage from ceramic ware.

Commercial property
Covers kilns, wheels, and business inventory.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
