Coverage worth discussing

Products liability

Covered harm to others from supplied trusses or panels.

Professional liability

Eligible claims from accepted structural-design work.

Commercial auto

Covers vehicle and driver liability during haul.

Commercial property

Covers lumber, jigs, and finished components.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
