

CHARTER AND MANAGEMENT COORDINATION

A leaked itinerary can expose private clients.

Your charter team coordinates crew, maintenance and owner requests. Specialist aviation terms sit alongside accepted management, employee and data protection.

RISKS WORTH DISCUSSING

- 01 Concierge service vendor liability
- 02 Confidential client data exposure
- 03 Aircraft management duty claims

Coverage worth discussing

General liability

Covered visitor injuries at declared ground offices.

Cyber liability

Covers privacy costs for itinerary data.

Crime insurance

Covered vendor-payment diversion under accepted fraud terms.

Professional liability

Eligible claims from accepted charter-management services.

Workers compensation

Employee injury benefits for eligible ground staff.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
