

PROTECTIVE DETAILS, EVENTS AND TRANSPORT

A force allegation can name your firm.

You provide protective details or security at events and client locations. Armed roles, force, detention and insured agents need explicit acceptance, with promised safety distinct from covered negligent-service claims.

RISKS WORTH DISCUSSING

- 01 Force or assault allegations
- 02 Claims alleging failure to protect
- 03 Road collisions during principal transport

Coverage worth discussing

General liability

Liability under expressly accepted security and force terms.

Professional liability

Covered claims involving accepted protective-service duties.

Workers compensation

Work-injury benefits for eligible security employees.

Commercial auto

Covered road liability for accepted principal-transport duties.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
