The Southern Agency
Insurance & Bonds

INPATIENT BEHAVIORAL HEALTH CARE

Supervision gaps can end in harm.

You provide inpatient psychiatric care with observation and custodial duties. Actual treatment, restraint, civil-rights and abuse-related terms need explicit review alongside buildings, records and staff injuries.

RISKS WORTH DISCUSSING

01 **Patient self-harm incidents**

02 **Unauthorized patient elopement**

03 **Abuse and molestation allegations**

PSYCHIATRIC HOSPITAL INSURANCE

Coverage worth discussing

Professional liability
Specialist liability for accepted psychiatric treatment duties.

Cyber liability
Covered psychiatric-record breach response and privacy claims.

Commercial property
Insured inpatient facilities after covered physical damage.

Workers compensation
Work-injury benefits for eligible psychiatric-hospital employees.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
