The Southern Agency
Insurance & Bonds

ORIGINAL RECORDS, ACCESS AND DIGITAL COPIES

A pipe leak can damage a collection.

You preserve records and manage researcher access. Collection ownership, agreed values and loans need accepted terms; restricted releases, digital restoration and your own preservation gear differ.

RISKS WORTH DISCUSSING

01 **Water damage to original collection records**

02 **Release of restricted archival information**

03 **Corruption of preserved digital records**

PUBLIC ARCHIVE INSURANCE

Coverage worth discussing

Commercial property
Insured own archive facilities after covered damage.

Inland marine
Declared collections under accepted custody/loan terms.

Professional liability
Claims under accepted archive-access/media terms.

Cyber liability
Covered archive-data response and selected restoration.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
