MOTOR RACING EVENT MANAGEMENT

Crash debris can reach trackside spectators.

You manage tracks hosting racing events involving vehicles, crews, and crowds. High-speed pit operations and spectator safety require specialized liability and property terms.

RISKS WORTH DISCUSSING

01 **Crash debris injuring spectators**

02 **Pit crew refueling fire incidents**

03 **Grandstand visitor fall injuries**

RACE TRACK INSURANCE

Coverage worth discussing

General liability
Covered spectator claims under accepted racing-event terms.

Liquor liability
Covered claims from expressly accepted trackside alcohol service.

Workers compensation
Work-injury benefits for eligible track employees.

Commercial property
Insured stands or timing gear after covered damage.

Environmental liability
Covered pollution claims involving accepted fuel releases.

Umbrella liability
Extra limits above expressly covered racing liabilities.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
