READY-MIX CONCRETE FACILITY INSURANCE

Coverage worth discussing

Commercial auto
Covers road liability and mixer truck damage.

Environmental liability
Cleanup for covered dust or alkaline-washout releases.

Workers compensation
Covers employee injuries during production.

Products liability
Handles injury claims caused by wet mix.

Equipment breakdown
Covers internal failure of batch systems.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
