The Southern Agency
Insurance & Bonds

PASSENGER ROUTE MANAGEMENT

Shared routes can blur operating responsibilities.

You operate regional routes under codeshare or capacity agreements. Branding, flight and ground duties involve distinct parties; aviation terms need separate review.

RISKS WORTH DISCUSSING

01 **Gate or boarding injuries**

02 **Disputed partner responsibilities**

03 **Reservation-data privacy breaches**

REGIONAL COMMUTER AIRLINE INSURANCE

Coverage worth discussing

General liability
Covered third-party harm at accepted ground premises.

Workers compensation
Employee injury benefits for accepted work arrangements.

Umbrella liability
Extra limits above expressly covered underlying liabilities.

Commercial property
Insured maintenance-base property after covered damage.

Cyber liability
Covered reservation-data breach response and privacy claims.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
