

ROADWAY CONSTRUCTION & GRADING

Traffic keeps moving beside the work.

Your crews grade bases and build lanes near live traffic. Consider motorists, machine movements and workers on foot together.

RISKS WORTH DISCUSSING

- 01 Traffic entering the work zone
- 02 Mobile construction equipment loss
- 03 Struck-by or thermal burn injuries

Coverage worth discussing

General liability

Addresses third-party injury or damage near traffic.

Commercial auto

Addresses liability for dump trucks and haulers.

Inland marine

Addresses damage to graders, pavers and millers.

Workers compensation

Addresses benefits for crews near traffic and heat.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
