

## ROADSIDE STOPS AND FITTED ROUTE VEHICLES

# A roadside stop can cause a crash.

You deliver mail along long rural routes with repeated stops. Declare actual postal use, fitted conversions and vehicle ownership; mail custody, portable scanners and driver benefits are separate.

## RISKS WORTH DISCUSSING

- 01 Road collisions during repeated stops
- 02 Physical loss of mail in custody
- 03 Lifting and repetitive-work injuries

# Coverage worth discussing

## Commercial auto

Covered road liability for accepted postal-route use.

## Inland marine

Insured portable route scanners and tools.

## Motor truck cargo

Mail under expressly accepted custody/transit terms.

## Workers compensation

Benefits for qualifying route-employee injuries.

Coverage is subject to policy terms and exclusions.

## Why The Southern Agency

### 01 Listen

We review your operations, coverage and past claims.

### 02 Assess

We look at hazards and ways to reduce risk.

### 03 Build

We compare carriers, premiums and audit terms.

### 04 Support

We revisit coverage as your work changes.
