

MOTORHOMES AND TOWED RENTAL CAMPERS

A roof strike can damage a camper.

You rent motorhomes or towable campers for trips away from base. Accepted drivers, towing and rental use need vehicle terms distinct from unit damage, onboard fire and ordinary pickup-premises injury.

RISKS WORTH DISCUSSING

- 01 Renter road or towing collisions
- 02 Roof-strike or slide-out damage
- 03 Propane or electrical-system fires

Coverage worth discussing

Commercial auto

Accepted rental-use liability for insured motorhome interests.

General liability

Covered visitor injury from accepted pickup-premises activities.

Garage liability

Covered liability for expressly accepted lot/service activities.

Commercial property

Insured office and shop equipment after covered damage.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
