The Southern Agency
Insurance & Bonds

SALES AND SYSTEMS MAINTENANCE

An onboard system fault can cause injury.

You sell units featuring propane, electrical, and water systems. Demonstrations and maintenance work create liabilities distinct from basic vehicle physical damage.

RISKS WORTH DISCUSSING

01 **Propane fire and generator exhaust**

02 **Walkthrough and handover injuries**

03 **Systems service causing damage**

RV AND CAMPER SALE INSURANCE

Coverage worth discussing

Garage liability
Covered third-party harm during accepted demonstrations.

Commercial property
Insured showrooms and declared service equipment.

Commercial auto
Covered road liability for accepted transport or towing.

Products liability
Covered resulting harm from accepted systems installations.

Workers compensation
Covers staff medical and wage benefits for injuries.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
