Insurance & Bonds

HERITAGE COACHES, STEAM AND GUEST SERVICE

A steam ember can start a fire.

Your scenic trains carry guests past neighboring property. Declare passenger and steam duties, vintage values and actual bar service; rail liability, machinery and worker/FELA arrangements need suitable terms.

RISKS WORTH DISCUSSING

01 **Lineside fires from steam operations**

02 **Passenger injuries during excursions**

03 **Internal locomotive or boiler failures**

SCENIC RAIL TOUR INSURANCE

Coverage worth discussing

General liability
Claims under accepted rail/passenger/lineside terms.

Equipment breakdown
Internal failures of accepted locomotives/boilers.

Umbrella liability
Limits above expressly scheduled rail liability.

Commercial property
Expressly insured vintage rolling stock and depots.

Liquor liability
Claims from expressly accepted onboard bar service.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
