

EXCURSION GUESTS AND SEASONAL RAIL INCOME

A platform fall can injure a guest.

Your excursion railway may add dining, events or depot shops. Declare guest activities, vintage assets and actual rail duties; accepted income triggers differ from rainouts or every canceled trip.

RISKS WORTH DISCUSSING

- 01 Guest falls during train boarding
- 02 Fire damage to vintage rail property
- 03 Internal locomotive/shop failures

Coverage worth discussing

General liability

Visitor claims under accepted excursion/rail terms.

Commercial property

Expressly insured vintage assets, depots and shops.

Liquor liability

Claims from expressly accepted onboard/event alcohol.

Equipment breakdown

Internal failures of accepted rail/shop machinery.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
