

STUDENT LOADING, AIDES AND ACTIVITY TRIPS

A loading stop can injure a child.

Your drivers and aides handle student routes, crossings and activity trips. Declare actual supervision and loading duties; safeguarding protection and any excess must be expressly accepted, not assumed.

RISKS WORTH DISCUSSING

- 01 Student injuries near stopped buses
- 02 Safeguarding allegations against staff
- 03 Crashes on activity-trip routes

Coverage worth discussing

Commercial auto

Liability under accepted student/passenger terms.

Workers compensation

Benefits for qualifying driver/aide work injuries.

Cyber liability

Covered student-record response and privacy claims.

General liability

Covered non-auto depot/premises injury claims.

Umbrella liability

Limits above expressly scheduled passenger liability.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
