

## CUSTOMER BLANKS, SCREENS AND INK RUNS

# Customer garments can be damaged.

You apply artwork to garments and other blanks, often holding customer-owned stock. Custody and processing damage need express terms, while misprints, refunds and resulting product injury remain different exposures.

---

## RISKS WORTH DISCUSSING

- 01 Damage to customer-owned blank stock
- 02 Press failures interrupting print runs
- 03 Resulting harm from printed products

# Coverage worth discussing

## Inland marine

Insured customer goods under accepted custody terms.

## Equipment breakdown

Covered internal failures of accepted print equipment.

## Commercial property

Insured presses and stocks after covered physical damage.

## Products liability

Covered resulting harm from accepted printed products.

Coverage is subject to policy terms and exclusions.

## Why The Southern Agency

### 01 Listen

We review your operations, coverage and past claims.

### 02 Assess

We look at hazards and ways to reduce risk.

### 03 Build

We compare carriers, premiums and audit terms.

### 04 Support

We revisit coverage as your work changes.
