

RACK SPACE, POWER AND TENANT EQUIPMENT

A cooling fault can affect tenants.

You provide rack space, power and cooling for tenant hardware. Accepted custody and remote-hands duties differ from managing tenant data; equipment repair and service-credit demands need separate terms.

RISKS WORTH DISCUSSING

- 01 Internal failures of cooling or power
- 02 Damage to tenant hardware during handling
- 03 Visitor injuries on the data-center floor

Coverage worth discussing

Commercial property

Insured owned facility infrastructure after covered damage.

General liability

Covered visitor injury from accepted facility activities.

Equipment breakdown

Covered internal failures of accepted cooling systems.

Inland marine

Tenant hardware under expressly accepted custody terms.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
