

MULTI-PAD PRODUCTION COORDINATOR

A shared failure can affect several wells.

You coordinate production across well pads and gathering equipment. Shared machinery, produced-water handling and differing ownership interests can connect losses across locations.

RISKS WORTH DISCUSSING

- 01 Several wells affected together
- 02 Produced water escapes
- 03 Central machinery failures

Coverage worth discussing

General liability

Covered third-party harm from accepted surface-production duties.

Environmental liability

Covered cleanup under accepted water-handling terms.

Commercial property

Insured pad assets and expressly accepted gathering equipment.

Workers compensation

Work-injury benefits for eligible field employees.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
