Coverage worth discussing

General liability

Covered shoreside liability for declared yard work.

Environmental liability

Cleanup for covered yard or waterfront releases.

Products liability

Covered harm from accepted vessel-building operations.

Umbrella liability

Extra limits above accepted underlying marine risks.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
