

RESOLING, ZIPPERS AND CUSTOMER GOODS

Adhesive vapors can ignite in a shop.

You resole footwear and repair leather goods left at the counter. Accepted custody and processing terms should reflect item values, while bench machinery, visitor liability and employee injuries need distinct protection.

RISKS WORTH DISCUSSING

- 01 Loss of entrusted customer goods
- 02 Employee injuries on trimming machines
- 03 Adhesive-related shop fires

Coverage worth discussing

Commercial property

Insured bench machinery and stocks after covered damage.

General liability

Covered visitor injury from accepted shop-premises activities.

Inland marine

Insured client goods under accepted custody/processing terms.

Workers compensation

Work-injury benefits for eligible repair-shop employees.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
