

SLOPES, LIFTS AND LODGES

Lift loading can lead to guest injuries.

You manage slopes, chairlifts and lodges. Guest activities, rental-equipment duties and internal machinery failures need distinct accepted terms for the resort.

RISKS WORTH DISCUSSING

- 01 Lift loading and falls
- 02 Rental equipment binding allegations
- 03 Snowmaking system mechanical failure

Coverage worth discussing

General liability

Covered guest claims under accepted slope or lift terms.

Liquor liability

Covered claims from expressly accepted lodge-bar service.

Equipment breakdown

Covered internal failures of accepted lift or snowmaking machinery.

Umbrella liability

Extra limits above expressly covered resort liabilities.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
