Coverage worth discussing

Products liability

Covers defense if defects cause consumer harm.

General liability

Addresses visitor injuries at your facility.

Equipment breakdown

Covered internal failures of assembly or test equipment.

Umbrella liability

Extra limits above covered underlying liabilities.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
