The Southern Agency
Insurance & Bonds

SORTING, STAGING AND LAST-MILE HANDOFFS

A warehouse fire can ruin parcels.

You sort and stage parcels before delivery. Declare peak customer-goods values and storage duration; building cover, accepted cargo custody and sorter repair answer different loss questions.

RISKS WORTH DISCUSSING

01 **Fire affecting accumulated parcels**

02 **Internal conveyor/sorter failures**

03 **Parcel loss between storage and transit**

SMALL PARCEL LOGISTICS INSURANCE

Coverage worth discussing

Commercial property
Insured sorting premises and owned equipment.

Motor truck cargo
Parcels at expressly accepted transit/storage stages.

Workers compensation
Benefits for qualifying warehouse/driver injuries.

Equipment breakdown
Internal failures of accepted sortation machinery.

Commercial auto
Covered road liability for accepted delivery fleets.

Cyber liability
Covered dispatch-system response and privacy claims.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
