SOAP AND DETERGENT PRODUCER INSURANCE

Coverage worth discussing

Products liability
Pays for liability from soap-related injuries.

Environmental liability
Funds cleanup for covered chemical releases.

Equipment breakdown
Covered internal failures of mixers or spray dryers.

Workers compensation
Provides benefits for chemical burn injuries.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
