

SPECIALTY PROCEDURES AND DEVICES

Device duties can lead to claims.

Your center relies on procedures and devices within its specialty. Selecting or implanting a device differs from supplying it; accepted clinical and product duties need separate review.

RISKS WORTH DISCUSSING

- 01 Concentrated clinical procedure errors
- 02 Diagnostic equipment mechanical failure
- 03 Implanted device liability exposure

Coverage worth discussing

Professional liability

Specialist liability for accepted procedures and follow-up.

Commercial property

Insured treatment suites after covered physical damage.

Equipment breakdown

Covered internal failures of included treatment equipment.

Products liability

Covered resulting harm from accepted device-supply activities.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
