# Coverage worth discussing

## Commercial property

Covers fire or damage to printing machinery and stock.

## Environmental liability

Funding for cleanup of an insured pollution event.

## General liability

Addresses visitor injury or property damage at shop.

## Equipment breakdown

Repair expenses for covered printing machine failures.

Coverage is subject to policy terms and exclusions.

## Why The Southern Agency

### 01 Listen

We review your operations, coverage and past claims.

### 02 Assess

We look at hazards and ways to reduce risk.

### 03 Build

We compare carriers, premiums and audit terms.

### 04 Support

We revisit coverage as your work changes.
