

EXOTIC AND CONSIGNMENT TRADING

A damaged classic can raise valuation disputes.

You trade in classic, exotic, and custom vehicles via ownership or consignment. Transportation, detailing, and storage require tailored valuation and custody terms.

RISKS WORTH DISCUSSING

- 01 Valuation and settlement disputes
- 02 Consigned cars damaged or stolen
- 03 Transport and show-related loss

Coverage worth discussing

Garage liability

Covered third-party harm from accepted sales duties.

Commercial property

Insured showrooms or tools after covered fire loss.

Umbrella liability

Extra limits above expressly covered underlying liabilities.

Inland marine

Declared vehicles under accepted event-transit terms.

Cyber liability

Assists with privacy breach response for consignors.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
