

DISTILLATION AND BARREL AGING

A rickhouse fire can spread fast.

You distill spirits and hold aging barrels. Stock valuation, excise obligations and tasting-room activities need distinct property, bond and liability review.

RISKS WORTH DISCUSSING

- 01 Rickhouse fire and barrel collapse
- 02 Bonded-stock excise and reporting duties
- 03 Tasting room visitor injury claims

Coverage worth discussing

Commercial property

Declared distillery assets and aging stock after covered damage.

Liquor liability

Covered liability from accepted tasting-room alcohol service.

Products liability

Covered resulting harm from accepted spirits products.

Equipment breakdown

Covered internal failures of accepted stills or bottling machinery.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
