

FISHING GUIDE AND CHARTER OPERATIONS

Boarding anglers can lead to injury claims.

You guide paying anglers and move boats and tackle. Vessel, passenger-for-hire and crew injury risks need specialist marine terms alongside shore activities.

RISKS WORTH DISCUSSING

- 01 Passenger injuries while boarding
- 02 On-water collisions or capsizing
- 03 Theft of tackle or electronics

Coverage worth discussing

General liability

Covered liability at declared shore facilities.

Commercial auto

Covered road liability for declared tow vehicles.

Inland marine

Declared tackle or electronics after covered physical loss.

Umbrella liability

Extra limits above covered scheduled liabilities.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
