

GEAR FITTING, ASSEMBLY AND SALES

A fitting error can cause injury.

Customers rely on the gear you fit, assemble or demonstrate. Declare actual products and service duties; resulting injury, showroom accidents and stock damage involve different policy terms.

RISKS WORTH DISCUSSING

- 01 Injuries involving fitted or assembled gear
- 02 Shopper injuries during demonstrations
- 03 Fire damage to specialized sporting stock

Coverage worth discussing

Commercial property

Insured sporting stock after covered physical damage.

Products liability

Resulting harm under accepted gear/completed-work terms.

General liability

Covered injury from accepted showroom/service activities.

Workers compensation

Work-injury benefits for eligible store/service employees.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
