The Southern Agency
Insurance & Bonds

PERFORMANCE WEAR

# A fabric finish can cause a wearer's skin reaction.

You design technical activewear. Review skin reactions to finishes, performance claims, online customer data and production assets.

RISKS WORTH DISCUSSING

01 **Performance and advertising claims**

02 **Skin reactions from fabric finishes**

03 **E-commerce data and platform exposure**

SPORTSWEAR & ACTIVEWEAR PRODUCER INSURANCE

# Coverage worth discussing

**Products liability**
Addresses injury liability attributed to your apparel.

**Cyber liability**
Response costs for covered customer data incidents.

**Commercial property**
Covers damage to technical fabrics and machinery.

**Equipment breakdown**
Repair costs after internal machinery failure occurs.

Coverage is subject to policy terms and exclusions.

## Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
