The Southern Agency
Insurance & Bonds

WHOLESALE OFFICE SUPPLY

Cyber breaches halt order fulfillment

You fill institutional orders using online portals and fleets. Data breaches can stop your ability to supply goods.

RISKS WORTH DISCUSSING

01 **Stock damage at location**

02 **Payment data security loss**

03 **Resold item injury claim**

OFFICE SUPPLY DISTRIBUTOR INSURANCE

Coverage worth discussing

Commercial property
Insured premises and declared office-supply stocks.

Commercial auto
Covered liability for declared office-delivery fleets.

Cyber liability
Addresses covered incidents involving portal data.

Workers compensation
Covers staff injuries during picking and lifting.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
