

PAPER & PRINTING

Paper stock can concentrate a print-shop fire.

You print and finish paper goods. Review stock fires, cutter injuries, custom-order errors and the payment records you hold.

RISKS WORTH DISCUSSING

- 01 Fire and water damage to paper stock
- 02 Printing and finishing equipment injuries
- 03 Misprint and custom-order defects

Coverage worth discussing

Commercial property

Physical damage coverage for presses and paper stock.

Cyber liability

Addresses data incidents affecting customer payment info.

General liability

Covers visitor injuries or property damage on-site.

Equipment breakdown

Repair costs after a covered bindery machine failure.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
