

DIGITAL CATALOGS AND SUBSCRIBER ACCOUNTS

Subscriber data can be exposed.

You deliver licensed programming through subscriber accounts and digital systems. Content territories, accepted media or technology duties and qualifying cyber events need terms distinct from ordinary service interruptions.

RISKS WORTH DISCUSSING

- 01 **Subscriber account or payment breaches**
- 02 **Content-license and territory disputes**
- 03 **Technology-service error allegations**

Coverage worth discussing

Cyber liability

Covered subscriber–data breach response and privacy claims.

Directors and officers

Covered governance claims against insured service leaders.

Professional liability

Accepted technology and media professional–liability terms.

Business owners policy

Eligible office property and premises liability together.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
