The Southern Agency
Insurance & Bonds

ROAD AND STRUCTURAL WORK

Bridge work shares space with live traffic.

You construct roads and bridges, coordinating crane lifts and live traffic. Structural failure can lead to major delays.

RISKS WORTH DISCUSSING

01 **Motorist intrusion in work zones**

02 **Falls during structural crane lifts**

03 **Falsework and formwork collapse**

STREET AND BRIDGE BUILDER INSURANCE

Coverage worth discussing

General liability
Covers injury during road and structural operations.

Builders risk
Protects bridge components while under construction.

Inland marine
Covers cranes and excavators against theft or damage.

Surety bonds
Bonds for specified bid or performance obligations.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
